PILKE 18 PENDANT

2016 GREEN GOOD DESIGN AWARD

Being smallest of Pilke lighting range, **PILKE 18** can be used in tiny spaces, corners and also formation of multiple lights. For example five **PILKE 18** lights hung in vertical direction.

PILKE plywood lamp family consists of six pendant lamps: Pilke 18 (diameter 18 cm), Pilke 28, Pilke 30/70, Pilke 36, Pilke 60 and Pilke 80. There are three colour options: natural birch without any surface treatment, white lacquer and black stain. Also available are solutions for table and floor lighting.

The **PILKE** lights are assembled of numerous plywood parts in a way which brings together traditional Finnish handicrafts technique and ultramodern computer geometry. No glue or screws are needed. **PILKE** is a unique, decorative lamp, giving natural warm light through its wooden structure. The word **PILKE** is a Finnish word for **TWINKLE**.

PILKE 60 PENDANT

2016 GREEN GOOD DESIGN AWARD

The inspiration for the **PILKE 60** came from traditional Finnish shingle work, but Tuukka Halonen upgraded the design to a modern structure made with today's state of the art technology. Repetition of plywood parts in right angle creates a beautiful subtle friction to light.
