

# clivo

Clivo's small size and swivel bracket make it easy to point in any direction. It adds personality to any private or public open space, and is suitable for high-salinity environments. The integral ring nut adjusts the width of the beam.

**Materials**

Brass or AISI316 stainless steel body  
Extra-clear tempered glass diffuser

Clivo | Accent lighting | 190-250 V | powerLED 2,2 W AC
